Infinite Spaces - Festival of media and time based art

Type: Festival

*Sguardi Sonori 2010, now at its V edition, is a Festival of media and time based art created by FaticArt Onlus, with 90 artists coming from 20 different countries.*

The sections of this year's edition are: **CONTEMPORARY ART** (a project by VisualArt and DigitalArt), **VIDEO ART and SOUND ART, ELECTRONIC MUSIC, SOUND IMPROVISATION, LIVE PERFORMANCE**. The festival is held from **October 2010 to March 2011**.

The festival kicks off with the exhibition "Infinite Spaces" at the **Museo della Civiltà Roma, Planetario and Museo Astronomico di Roma** on **October 9, 2010 at 5.00 pm** featuring **Ennio Morricone, Roberto Vittori and Gualtiero Marchesi**.

The edition of 2010 will be mainly devoted to the celebration and preparation of the **INFINITE SPACES** event that will take place in March 2011 on the occasion of the last flight of the Space Shuttle. It will be a live concert where the astronauts will play with the greatest artists connected from 5 continents (among them Ennio Morricone with his "**Concerto for astronaut and orchestra**" for Universal Peace & Justice ): a great message of peace and brotherhood to all humanity.
